Job Description	

Date: Feb 14, 2025

Location: Dorval, Québec, CA, H4S 1Y9

Company: Bombardier

Innovation is in our DNA... is it in yours?

Bombardier is a global leader in aviation, creating innovative and game-changing planes. Our products and services provide world-class experiences that set new standards in passenger comfort, energy efficiency, reliability and safety. We are a global organization focused on working together with a team spirit.

Your boarding pass will include...

Several conferences, including:

- Meet An Executive
- Women Taking Flight

Learning more about Bombardier, including:

- Bombardier Products conference
- Visits of the Bombardier sites
- Bombardier Academy of Learning

Many social/networking opportunities, including:

- Volunteering
- Networking for Success
- 5 à 7, Potluck, and much more!

What are your contributions to the team?

- Participate in all aspects of agile software development, from implementation to deployment of web-based applications.
- Help in development new features in support of evolving business and project requirements.
- Participate in all aspects of the SDLC from a project's initiation to release and post-release support.
- Write clean & efficient code using best practices.
- Write and validate test procedures. Write unit tests.
- Communicate risks and issues to the delivery manager and propose potential mitigation plans.

How to thrive in this role?

- You possess knowledge of two or more of the following: XML/JSON, Node.js, REACT, Python and SQL.
- You have completed at least one internship in software development.
- You have a strong understanding of an Agile Software Development environment.
- You are pro-active, flexible and have solid critical thinking skills. You have a strong sense of accountability and autonomy, and you focus on outcomes. You always look for ideas and suggestions to make improvements.

Boarding Information:

- Location: Administrative Centre (CA)
- Duration: 8 months
- Virtual or on site

It is important to note that our internship opportunities are open to students only, not new graduates. All our interns may be required to occasionally travel outside of Canada for training/work purpose.

Citizenship Requirement N/A
