#### Job Description

It's not just about your career or job title... It's about who you are and the impact you will make on the world. Because whether it's for each other or our customers, we put People First. When our people come together, we Expand the Possible and continuously look for ways to improve what we create and how we do it. If you are constantly striving to grow, you're in good company. We are revolutionizing the way the world moves for future generations, and we want someone who is ready to move with us.

This is a 12 month Fixed Term Position

#### Who will you be working with?

Wabtec's Bach-Simpson division is the lead Event Recorder OEM in the North American Transit market. It designs, develops, and maintains an array of electronic systems and Automated Test Equipment for passenger and freight rail markets.

#### How will you make a difference?

As a member of Bach-Simpson and Wabtec's Core Electronics Group, you will be responsible for developing software in a managed process environment. This work including analyzing new requirements, and writing, testing, debugging, and improving both new and existing code. You will work in an Agile methodology, meeting daily with the team to facilitate work collaboration and to support each other. You will report to the Software Engineering Manager, who will meet with you during daily team stand-up meetings as well as quarterly or more for one on ones.

#### What do we want to know about you?

- Working towards a degree in Software Engineering or Computer Science
- C language experience is a must
- C# language experience is advantageous
- Python language experience is advantageous
- Can communicate (verbal and written) clearly, accurately, and eloquently in English
- What extra-curricular or hobby projects have you done?

#### **What will your typical day look like?**

- Attend daily stand-up meetings with the software team
- Use internal systems to manage your work assignments and time spent on tasks
- Work at times individually or collaboratively with others on the team on software projects
- Enjoy the free coffee

You may also be asked to perform other duties outside of your function or trade, for which adequate training will be provided if necessary.

Wabtec will only employ those who are legally authorized to work in Canada for this opening. Any offer of employment is conditioned upon the successful completion of a background check.

#### **Who are we?**

Wabtec Corporation is a leading global provider of equipment, systems, digital solutions, and value-added services for freight and transit rail as well as the mining, marine, and industrial markets. Drawing on nearly four centuries of collective experience across Wabtec, GE Transportation, and Faiveley Transport, the company has grown to become One Wabtec, with unmatched digital expertise, technological innovation, and world-class manufacturing and services, enabling the digital-rail-and-transit ecosystems.

Wabtec is focused on performance that drives progress and unlocks our customers' potential by delivering innovative and lasting transportation solutions that move and improve the world. We are lifelong learners obsessed with making things better to drive exceptional results. Wabtec has approximately 27K employees in facilities throughout the world. Visit our website to learn more! <http://www.WabtecCorp.com>

#### **Our Commitment to Embrace Diversity:**

Wabtec is a global company that invests not just in our products, but also our people by embracing diversity and inclusion. We care about our relationships with our employees and take pride in celebrating the variety of experiences, expertise, and backgrounds that bring us together. At Wabtec, we aspire to create a place where we all belong and where diversity is welcomed and appreciated.

To fulfill that commitment, we rely on a culture of leadership, diversity, and inclusion. We aim to employ the world's brightest minds to help us create a limitless source of ideas and opportunities. We have created a space where everyone is given the opportunity to contribute based on their individual experiences and perspectives and recognize that these differences and diverse perspectives make us better.

We believe in hiring talented people of varied backgrounds, experiences, and styles... People like you! Wabtec Corporation is committed to equal employment opportunity regardless of race, color, ancestry, religion, sex, national origin, sexual orientation, age, citizenship, marital status, disability, gender identity or expression, or protected Veteran status. If you have a disability or special need that requires accommodation, please let us know.

**Citizenship Requirement** N/A
