Software Engineering Intern Summer 2025

WE WANT YOUR BRAINS... PopCap is looking for brainy and skillful people with a passion for making the world's best games. What's in it for you? A super-fun environment, rewarding work, and lots of great perks. PopCap is looking for a software engineer to add to our Plants vs. Zombies franchise, contributing to features and tools for our in-development game Plants vs. Zombies 3. As an engineer, you will build features, tools, infrastructure, and fix bugs. You will work directly with other accomplished software engineers, artists, and designers to help continue delivering a long running and beloved IP to our players, Plants vs Zombies!

Job Requirements

Experience:

- Proficiency in C# or similar (C++, Java)
- Experience with Unity game engine or similar
- Experience with CI/CD tools (Jenkins, GitLab) is a bonus
