Job Description

Division: IGM Technology

Location: Winnipeg

IGM Financial Inc. is one of Canada's leading diversified wealth and asset management companies with approximately \$271 billion in total assets under managements. The company provides a broad range of financial planning and investment management services to help more than two million Canadians meet their financial goals. Its activities are carried out principally through IG Wealth Management and Mackenzie Investments.

Under IGM Financial's unique business model based on leading brands and multi-channel distribution strategy, we're IG Wealth Management. For over 90 years of business, we have grown to become one of the largest most respected companies in Canada. We are a leader in providing the best advice, experience and outcomes for our clients, personalized throughout their lifetime.

At IG Wealth Management, our vision is to inspire financial confidence.

This is your opportunity to build a career with a leading organization where you can learn, grow and thrive both professionally and personally. **We are proud to be recognized as one of Canada's Top Employers by Mediacorp Canada Inc. for empowering our employees with the tools to thrive while working remotely, while also providing resources to ensure physical and mental wellness were put front and center.**

You will join a team that believes our success starts with the success of our clients, while working together as a team to realize our greatest potential. You will join a team that strives towards excellence while developing and sharing skills and knowledge. You can make a difference for our clients, the world around us and be part of a team that cares. We are dedicated to offering a hybrid work environment when applicable.

IG Wealth Management is a diverse workplace committed to doing business inclusively - this starts with having a representative workforce! We encourage applications from all qualified candidates that represent the diversity present across Canada - including racialized persons, women, Indigenous persons, persons with disabilities, 2SLGBTQIA+ community, gender diverse and neurodiverse individuals, as well as all who may contribute to the further diversification of ideas.

Position:

We are currently hiring an intern looking for a winter term position, May to August 2025 in our Winnipeg office. Candidates in an undergraduate program that will be returning to school after the internship to be eligible to apply.

Responsibilities:

- Primary focus will be on ad-hoc projects or support of organizational projects in-flight
- Produce documentation. Ex; how-to guides, communication
- Analysis of documents, datasets
- Coordinate activities, meetings, tasks with internal team members
- Data analysis of semi-structured data

Requirements:

- Pro-active, problem-solving attitude and ability to work calmly under pressure
- Experience working in Agile (Scrum, Kanban) environments
- Desire to always make things better
- Keep abreast of developments in field (e.g., through reading, internet, discussions, experiments with new techniques and tools)
- Familiarity with data analysis tools and techniques
- Understanding of testing practices
- Well-organized
- Structured thinking
