Job Description	

Job Title: Software Engineer Intern

Job ID: R027226

Ciena is committed to our people-first philosophy. Our teams enjoy a culture focused on prioritizing a personalized and flexible work environment that empowers an individual's passions, growth, wellbeing and belonging. We're a technology company that leads with our humanity-driving our business priorities alongside meaningful social, community, and societal impact.

How You Will Contribute:

As a software engineer intern you will:

- Implement development tasks
- Add unit tests for the implemented features
- Attend scrum meetings and provide status of activities
- Contribute well with the rest of the team
- Update Jira tasks with progress and status
- Update Confluence pages related to assigned tasks
- Conduct demos for completed features

The annual pay range for this position is \$24.50-33.00

Pay ranges at Ciena are designed to accommodate variations in knowledge, skills, experience, market conditions, and locations, reflecting our diverse products, industries, and lines of business. Please note that the pay range information provided in this posting pertains specifically to the primary location, which is the top location listed in case multiple locations are available.

In addition to competitive compensation, Ciena offers students access to the Employee Assistance Program (EAP), company-paid holidays, paid sick leave, and vacation pay as required by applicable laws.
