Job Description

Welcome to Maxis, home to tinkerers, craftspeople, & storytellers. Our goal is to inspire everyone to make a better world through creative play. We're excited you're interested to learn more about how you can join our team and dream big.

We're looking for a Test Automation Specialist Co-op/ Intern to join our paid world-class internship experience. The start date for this opportunity is May 2025, you may be eligible for course credit depending on your institution. You will report to the Development Director. For more information about our Next-Gen Program, visit <https://www.ea.com/careers/interns-and-university-graduates>

You will promote software & game quality by maturing end-to-end strategies that ensure comprehensive and impactful test design, bringing together approaches to verification across functional, experiential, and technical elements of quality. You are focused on technical areas of software use technology to multiply effort and expand use of test automation.

Responsibilities

- Create test plans in collaboration with Feature Group Managers and testing teams.
- Work with Feature Group managers to establish milestone acceptance criteria and hold partners accountable.
- Analyze existing test automation and tools to identify automation opportunities for the Foundations and Rendering team.
- Collaborate with our automation team on their tools and platform to partner and understand our team's automation needs.
- Work with developers to categorize code risks.
- Use risks to guide test coverage and automation opportunities.

Job Requirements

Desired Skills

- 3 years of study in quality assurance or applicable experience in technology fields
- Knowledge of software/game development, including both Agile and waterfall methodologies.
- Understanding of test automation tools or test harnesses.
- Defect and Task tracking tool experience (JIRA, JAAS, Github).
- Interest in Machine Learning (ML) & Artificial Intelligence (AI) enabled autotests.

We are only considering students who will be enrolled in an accredited degree program throughout this Co-op/Internship, slated to graduate no earlier than December 2025. You must be legally authorized to work in Canada or US on a full-time basis during the Co-op/Internship. Visa sponsorship is not available for this position.

PAY RANGES

- California (depending on location e.g. Los Angeles vs. Sacramento): \$24 - \$38 USD Hourly
- New York (depending on location e.g. Manhattan vs. Buffalo): \$24 - \$38 USD Hourly
- Jersey City, NJ : \$24 - \$38 USD Hourly
- Colorado (depending on location e.g. Denver vs. Colorado Springs): \$21 - \$25 USD Hourly
- Washington (depending on location e.g. Seattle vs. Spokane): \$24 - \$33 USD Hourly
- British Columbia (depending on location e.g. Vancouver vs. Victoria): 65,000 - \$70,000 CAN Salary

Citizenship Requirement N/A
