JOB POSTING INFORMATION

Placement Term	2025 - Summer
 Job Title 	S25 Software Engineer Co-op (Onsite) 166929
Position Type	Co-op Position
Job Location	Richmond, BC
Country	Canada
Duration	8 months
Work Mode	In-Person
Salary Currency	CAD
Salary	24.0 per hour for 40 Major List
Salary Range \$	\$22..\$26 per hour
Job Description	

IMPORTANT NOTE: All Co-op candidates should be able to work in the Broadcom's office in Richmond, BC.

Company Profile:

Broadcom Inc. is a global technology leader that designs, develops and supplies a broad range of semiconductor, enterprise software and security solutions. We combine global scale, engineering depth, broad portfolio diversity, superior execution and laser-like operational focus to deliver category-leading connectivity products so our customers can build and grow successful businesses today and in the future.

Responsibilities:

Broadcom Software is looking for individuals to join our API Management (APIM) group and contribute to the development of our APIM applications. The student would be a member of the applications engineering team, responsible for bringing cutting-edge technologies to production. You will have an active role in the design, development, testing and support of API Gateway components.

If you enjoy a challenging and diverse role with the opportunity to continually learn, then this team is for you. The breadth of software responsibility is extensive - architecture, design, coding and QA.

Job Requirements

An ideal candidate would be able to demonstrate the following skills and traits:

- Proficient in Java, solid OOP skills
- An ability to learn and adapt quickly to new technical areas
- A pragmatic approach to problem solving

- Enjoys working in a team but can operate independently
- Clear and concise communication skills
- Experience in designing and testing REST or GraphQL APIs is a plus
- Knowing of K8s, docker, microservice architecture will be a good asset

Citizenship Requirement	N/A
Position Start Date	May 01, 2025 12:00 AM
Position End Date	December 31, 2025 12:00 AM
