Job Description

Workstream is a mission-driven company that believes in building premium, modern software solutions for hourly businesses. There are 2.7 billion hourly workers, who make up 80% of the global workforce, but they've been heavily underserved by technology and deserve better. We help local businesses around you hire, manage, and pay qualified workers.
We are looking for a dedicated, and passionate Software Engineer Co-op to join our Internship program. You should have a background in application development and be able to provide support to our stakeholders and fix bugs. You will also contribute to developing new software features.

Our customers include leading brands from multiple sectors, including Burger King, Carl's Jr./Hardee's, IHOP, KFC, and Culvers. At series B, we are quickly expanding our product portfolio. We are backed by legendary VCs and industry experts like Founders Fund, BOND, and Coatue.

Day in the Life
• Investigate, identify, and fix software bugs reported by clients
•Document bug fixes and troubleshooting methods for future reference
•Help in developing new software features

Who You Are
• Experience in NodeJS

•Experience in application development
•Experience in at least one of the following development frameworks: Express, NestJS, Django or Flask, or in Ruby on Rails
•Experience with building scalable systems and test-driven CI/CD is a plus
•Experience with SQL and NoSQL databases, such as PostgreSQL or MongoDB is a plus
•Familiarity with cloud platforms such as AWS
•Can keep up with the latest technological trends and continuously improve productivity
•Must have excellent communication and problem-solving skills

What We Offer:
• Bubble tea Tuesdays and team lunch Thursdays
•Hybrid working model, Tuesdays and Thursdays are required in office days
•A mission-driven and value-based company dedicated to empower deskless workers and local businesses
•WeWork Office - conveniently located next to Metrotown skytrain comes with amenities and perks including coffee, tea, and kombucha on tap
•In compliance with the British Columbia Pay Transparency Act, the base salary for this co-op role is $18 per hour for 37.5 hours per week in British Columbia.

Additional Information

Workstream provides equal employment opportunities to all employees and applicants for employment and prohibits discrimination and harassment of any type without regard to race, color, religion, age, sex, national origin, disability status, genetics, protected veteran status, sexual orientation, gender identity or expression, or any other characteristic protected by federal, state or local laws. This policy applies to all terms and conditions of employment, including recruiting, hiring, placement, promotion, termination, layoff, recall, transfer, leaves of absence, compensation and training.

We are committed to the full inclusion of all qualified individuals.
