Job Description	

Job Title: Intern, Quality Assurance
Job ID: INTER012623
Description
Inspirational, innovative and entrepreneurial - this is how we describe our empowered teams. Combine your passion with purpose and join a culture that is thriving in the face of change.
Make an impact with our Technology - Development team as Intern, Quality Assurance. This diverse team of tech-savvy builders and problem solvers embraces digital transformation, and the possibilities technology brings to the future of our industry. We're looking for team members who have a strong sense of ownership and drive, and who thrive on delivering high-quality solutions that are redefining the way MNP does business.
MNP is proudly Canadian. Providing business strategies and solutions, we are a leading national accounting, tax and business advisory firm in Canada. Entrepreneurial to our core, our talented team members transcend obstacles into opportunities and are successfully transforming mid-market business practices.
Responsibilities
• Support QA strategies and standards based on projects across teams
• Review requirements specifications and technical design documents to provide timely and meaningful feedback
• Learn and create detailed and well-structured test plans and test cases
• Support and execute manual test scenarios under regression test plans
• Perform functional, integration, regression, and system testing
• Share test results and communicate test progress to QA Manager
• Participate in meetings with developers and project managers to discuss release scope and roadblocks
• Ensure QA activities are completed and signed off in the expected time frame
• Install and deploy builds in test environments
MyRewards@MNP
With a focus on high-potential earnings, MNP is proud to offer customized rewards that support our unique culture and a balanced

lifestyle to thrive at work and outside of the office. You will be rewarded with generous base pay, vacation time, 4 paid personal days, a group pension plan with 4% matching, voluntary savings products, bonus programs, flexible benefits, mental health resources, exclusive access to perks and discounts, professional development assistance, MNP University, a flexible 'Dress For Your Day' environment, firm sponsored social events and more!

Diversity@MNP

We embrace diversity as a core value and celebrate our differences. We believe each team member contributes unique gifts and amplifying their potential makes our business stronger. We encourage people with disabilities to apply!
