Job Description

About the role

Chime is looking for a **Software Engineer Intern** to join our **SpotMe team** within the FinPlat org. You will gain valuable professional experience working with cutting edge cloud technology platforms and distributed systems alongside engineers with a wealth of experience to share. This is an exciting opportunity to learn while playing a role in a critical initiative at Chime.
This role is structured as a 3 month engagement. The starting hourly rate offered for this role and target level of experience will begin at $34 and up to $49. The actual base salary offered may be higher, depending on your location, skills, qualifications, and experience.

In this role, you can expect to

• Contribute to feature development
• Learn about working on a large scale production system

To thrive in this role, you have

• Currently pursuing a Bachelor's or Masters degree in Computer Science, Software Engineering or a related field
• Strong organizational, analytical, interpersonal, oral, and written communication skills
• Creative thinker and self starter with a passion for consumer FinTech
• Are flexible and enjoy doing whatever it takes to execute on complex projects
• Have a low ego and are comfortable working directly well with a wide range of stakeholders

A little about us

At Chime, we believe that everyone can achieve financial progress. We're passionate about developing solutions and services to empower people to succeed. Every day, we start with empathy for our members and stay motivated by our desire to support them in ways that make a meaningful difference.

We created Chime-a financial technology company, not a bank*-- founded on the premise that basic banking services should be **helpful**, **transparent**, and **fair**. Chime helps **unlock** the access and ability our members need to overcome the systemic barriers that block them from moving forward. By providing members with access to liquidity, rewards, and credit building, our easy-to-use tools and intuitive platforms give members the ability to have more control over their money and to take action toward achieving their financial ambitions.

So far, we're well-loved by our members and proud to have helped millions of people unlock financial progress, whether they started a savings account, bought their first car or home, opened a business, or went to college. Every day, we're inspired by our members' dreams and successes, big and small.

We're uniting everyday people to unlock their financial progress-will you join us?

*Chime partners with The Bancorp Bank and Stride Bank, N.A., Members FDIC, that power the bank accounts used by Chime Members.

Perks once Full-Time
• ? Competitive salary based on experience
• ? 401k match plus the usual medical, dental, vision, life, and disability benefits
• ? Generous vacation policy and company-wide Take Care of Yourself Days
• ? Virtual events to connect with your fellow Chimers- think cooking classes, music festivals, mixology classes, paint nights, etc., and delicious snack boxes, too!
• ? A challenging and fulfilling opportunity to join one of the most experienced teams in FinTech and help create a completely new kind of banking service

We know that great work comes from great, and inclusive teams. At Chime, we specifically look for individuals of varying strengths, skills, backgrounds, and ideas. We believe this gives us a competitive advantage to better serve our members and helps us all grow as Chimers and individuals.

We hire candidates of any race, color, ancestry, religion, sex, national origin, sexual orientation, gender identity, age, marital or family status, disability, Veteran status, and any other status. Chime is proud to be an Equal Opportunity Employer and will consider qualified applicants with criminal histories in a manner consistent with the San Francisco Fair Chance Ordinance. If you have a disability or special need that requires accommodation, please let us know. To learn more about how Chime collects and uses your personal information during the application process, please see the Chime Applicant Privacy Notice.

Citizenship Requirement   N/A
